Re: Linda Mellen v. Trustees of B.U. and Frances Drolette, C.A. No. 04-10644-MEL

Dear Christy:

As the enclosed Motion for Reconsideration indicates, we believe that our "interference" claim should be submitted to the jury along with our retaliation claim.

Please let me know when we might expect the documents responsive to our Request No. 5, as compelled by the Court's Order of October 19, 2005.

Thank you.

Truly yours,

Harry C. Beach

Subject: BU's Production of Documents
Date: Mon, 21 Nov 2005 12:15:19 -0500

Christy,

I have not heard from you since your November 3, 2005 letter, which responded to my October 25, 2005 inquiry regarding BU's document production as required by Judge Lasker's order of October 19, 2005. Please advise me as soon as possible regarding the status of BU's production, as I am preparing to bring this situation to Judge Lasker's attention.

If there are responsive documents, they should not be redacted in any respect, as we will need to contact/depose the identified employees.

If there are no responsive documents, we will need an affidavit from the appropriate Keeper of Records to that effect, including a detailed account of what files and databases were searched.

Thank you.

Harry
